### One Day Workshop on Fluorescence Application in Biotechnology, Nanoscience and Nanomedicines

Workshop is being organized under the Scientific Social Responsibility (SSR) program of DST-SERB sponsored project in the scheme of Empowerment and Equity Opportunities for Excellence in Science Grant, Govt. of India

Organizing Institute: Aryabhatta Centre for Nanoscience and Nanotechnology,  
Aryabhatta Knowledge University, Mithapur Patna

Eligibility for participant: Faculty, Teacher and Scientist from colleges and University and his/her position is regular. The faculty, Teacher and Scientist should be working in Biotechnology or Nanomedicines or Protein Chemistry; Fluorescence Techniques are eligible to apply. There are maximum 20 participants will be selected based on first come first serve basis. All the applicant may send the CV with one page of write-up on his/her current research to email address vijayflour@gmail.com.

The preference will be given to those faculty, Teachers and Scientist who have not been used Fluorescence Techniques earlier in his and her College and University.

Topics will be Covered: Basics of Fluorescence, Fluorescence Techniques, Fluorescence Spectroscopy, Application of Fluorescence in Biotechnology, Nanomedicines and Nanoscience, Protein folding and Misfolding. Hands on training

No any registration fee

Date of Workshop: 17.10.2022

Lunch, Refreshments and Welcome kit will be provided to all participants

Time will be intimated by email or phone:

Venue: Academic Block, ACNN, AKU Patna

**Advertisement for Student Internship (01)**

**Advt. No:** DST-SERB/AKU/ACNN/2022/01

The eligible candidates are requested to apply for one position of Student Internship under the DST-SERB Empowerment and Equity Opportunities for Excellence in Science Grant (EEQ) Scientific Social Responsibility (SSR) program.

The details are as follows;

**Title of Project:** "Investigating the Structured Oligomeric Intermediates while aggregation of Disulfide bond dissected Lysozyme and its inhibition strategy"

**Duration of Internship:** 2 months starting from 15.11 2022.

**Essential Qualifications:**

Students in their final semester of M.Sc./M. Tech/B.Tech (Biotechnology/Nanotechnology /Microbiology/ Biochemistry/Zoology, Life science or equivalent)/B.Pharm.

**Stipend:** Rs.5000 p.m. for two months only

**How to Apply:** Eligible interested candidates meeting above requirements may submit application alongwith one page of research proposal by email to PI along with current CV (max 2 Pages).

**Last date of application:**02.11.2022

**Selection Criteria:** Students will be selected based on their academic profile and research proposal.

Selected candidates will be intimated by email only regarding their selection.

**Project Investigator:** Dr.Vijay Kumar Ravi, Centre for Nanoscience and Nanotechnology, Aryabhata Knowledge University Patna-800001;

Email: [vijayfluor@gmail.com](mailto:vijayfluor@gmail.com), Mobile: 8252099567

**General Conditions:**

1. Selected student will be supported by a financial assistantship of Rs. 10000 (@5000pm for twomonthsonly.
2. Financial support for other activities like travel, boarding and lodging will not be provided.
3. Student will have to make their own arrangements for stay during the dissertation period.
